

Positive Comments Made Easy

A reference sheet for writing supportive and constructive report card comments

★ Excellent

- Shows exceptional attention to detail and accuracy
- Regularly exceeds grade-level expectations
- Above grade level
- Consistently demonstrates a strong understanding of grade-level concepts
- Approaches new learning with confidence and curiosity
- Maintains high standards in all academic work
- Demonstrates advanced critical thinking skills
- Completes assignments thoroughly and thoughtfully
- Displays a strong grasp of material

📖 Meeting

- At grade level
- Competent
- Satisfactory
- Conscientious
- Demonstrates a solid understanding of grade-level concepts
- Consistently meets academic expectations for this grade
- Completes assigned work with care and attention
- Shows steady progress
- Grasps key concepts with minimal support
- Participates appropriately in class activities and discussions
- Applies learned strategies with confidence
- Demonstrates growth and consistent effort in daily work

🌱 Progressing

- Developing
- Growing
- Is making progress toward grade-level expectations with support
- Demonstrates developing understanding of key concepts
- Shows effort and a willingness to learn, but needs continued reinforcement
- Is beginning to grasp new material, though consistent accuracy is not yet achieved
- Requires additional practice to meet grade-level standards
- Benefits from frequent check-ins and guided instruction
- Understands basic ideas but struggles with application or independence
- Is working toward consistency in completing tasks and assignments

⚠️ Failing

***Note:** Focus on professionalism, empathy, and clarity. The goal is to be honest while still preserving the student's dignity and offering ways for support and improvement.

- Areas for growth
- Areas of concern
- Is currently not meeting grade-level expectations in this subject area
- Demonstrates limited understanding of core concepts despite support
- Has difficulty completing assignments independently or accurately
- Requires ongoing intervention to address significant gaps in understanding
- Has not shown sufficient progress to meet minimum standards for this grading period
- Work is often incomplete or not submitted, impacting overall performance
- Struggles to retain and apply taught material
- Performance indicates a need for intensive academic support and monitoring
